

SURVIVAL TOOLS

GSA CONTRACT: GS-07F-0566T

AdvanTac/UST survival tools were originally developed for the most elite government agencies operating in the toughest conditions on earth. AdvanTac Technologies also develops custom kits for various units and agencies.

STAK™

SOLDIER'S TACTICAL
ADVANTAGE KIT

The Soldier's Tactical Advantage Kit (STAK™) contains eight essential components for extreme environments. It is specifically designed to support soldiers in critical situations where survival, evasion, resistance and escape techniques must be used. The kit contains a one-handed fire starter with all-weather tinder, an unbreakable signal mirror, a high-decibel whistle, snaplights, a compass, a small flashlight with tactical lighting capabilities, and a knife all in a compact, waterproof kit. The Hard Case is crushproof, watertight to 10 feet, and floats. The Aqua version is compact and watertight to 200 feet.

Contents:

- BlastMatch™ Fire Starter
- WetFire™ Tinder
- StarFlash® Signal Mirror
- JetScream™ Whistle
- Snap Lights: Green and IR
- Brunton® 28NL Compass

BlastMatch™ Fire Starter

The BlastMatch™ is a unique one-handed fire starter that generates intensely hot sparks with minimal effort.

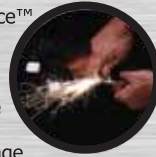

- Revolutionary one-handed design
- Sparks three times hotter than a standard match
- Spring-loaded rotating flint bar
- Thousands of strikes

SPECIFICATIONS

- Length (closed): 4 inches (10.2 cm)
- Weight: 2.3 oz. (65.2g)

StrikeForce™ Fire Starter

The StrikeForce™ is an all weather fire starting system in one compact, durable package.

- Sparks three times hotter than a standard match
- Special alloy flint bar and beefy steel striker can be used thousands of times
- WetFire™ tinder compartment in handle- free tinder included

SPECIFICATIONS

- Length: 5 inches (12.7 cm)
- Weight: 3.7 ounces (104.9g)

WetFire™ Fire Tinder

WetFire™ Tinder is the best fire starting tinder material available anywhere in the world.

- Burns longer when wet
- Burns at over 1300 degrees, yet cools instantly
- Individually packaged, solid leakproof formula
- Odorless and nontoxic

SPECIFICATIONS

- Weight (per cube): .16 oz. (4.73g)
- 8 individually wrapped cubes per package

Sparkie™ Fire Starter

Sparkie™ is an amazingly small one-handed emergency fire starter that is lightweight and extremely easy to operate.

- Weighs less than one ounce
- Spring-loaded spark bar and internal striker
- Textured grip for maximum control and comfort
- Compact design

SPECIFICATIONS

- Length (closed): 2.3 inches (5.7 cm)
- Height: 1.2 inches (2.95 cm)
- Width: .7 inches (1.64 cm)
- Weight: 0.8 oz (24g)

WetFire™ Stove Lightweight Stove

The WetFire™ Stove is an ultralight, all-purpose stove that weighs less than half an ounce.

- Folds for compact storage
- Comes with 1 cube of WetFire™ tinder
- Includes reusable storage bag
- Works with a variety of off-the-shelf camp cups

SPECIFICATIONS

- WetFire™ Stove:
 - Weight: .46 ounces (13.04 g),
 - Dimensions: 3.125" x 1.25" x 1.75",
- WetFire™ Cube: Weight: .2 oz (5.67 g)

StarFlash® Ultra™ Signal Mirror

The StarFlash® Ultra™ is the latest advancement in signal mirror technology.

- Over 90% as reflective as glass, yet far lighter
- Scratch resistant coating on mirror surface
- Aim accurately with trademarked StarFlash® technology
- Unbreakable and floats

SPECIFICATIONS

- 2" x 3" (5.1 x 7.6 cm)
 - Weight: 0.7 oz (19.9g)
- 3" x 5" (7.6 x 12.7 cm)
 - Weight: 2.0 oz (62.2g)

JetScream™ Whistle

The JetScream™ emits an ear-piercing shriek audible above most noises.

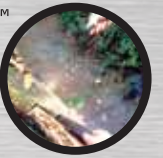

- Pealess design makes it ideal for water environments
- Low-profile shape
- Won't freeze

SPECIFICATIONS

- Length: 2.3 inches (5.8 cm)
- Weight: 0.3 oz (8.5g)

SaberCut™ Saw

The SaberCut™ saw cuts in both directions for maximum speed.

- Highly effective bi-directional cutting teeth
